

CAR PARKING

The surgery car park is solely for staff use. Please do not park across the entrance as unobstructed access is required at all times for both doctors and ambulances. If you need to come by car, please park in Parkhurst Road where parking is available for 1 or 2 hours in dedicated bays.

ONLINE SERVICES

You can request repeat medications and book and cancel doctors appointments online 24 hours a day.

If you would like to be set up for these services, please ask for a form at reception or download one from our website.

CONTACT DETAILS

Please make sure you let us know of any changes to your contact details.

It is important we have the correct details so that we can contact you and be able to send appointment reminders by text message.

DUTY DOCTOR/EMERGENCY APPOINTMENTS

If an urgent appointment is requested for the same day, please provide the receptionist with as much information as possible so that the Duty Doctor can assess according to clinical need. The duty doctor may then telephone the patient to determine whether an appointment is necessary and, if so, will book them in for the afternoon surgery.

If the Doctor assesses the patient as non-urgent, the receptionists will call to book in for a routine appointment.

PATIENT PARTICIPATION GROUP NEWS

DO YOU KNOW WHAT WE DO?

The Plas Meddyg Surgery Patient Participation Group (PPG) exists to work in co-operation with the surgery to ensure that patients are at the centre of the service provided. Although independent of the surgery, the PPG is there to support the hard-working staff at Plas Meddyg while ensuring that patient concerns or suggestions are given due consideration.
A representative from the Plas Meddyg PPG serves on the local Clinical Commissioning Group Patients Council thereby allowing the voice of local patients to reach the decision makers for the local NHS.

SHORT OF TIME BUT STILL INTERESTED IN THE PATIENT PARTICIPATION GROUP?

We are looking to increase our 'virtual' membership of the group which means that all the news and views from the PPG is delivered to your email rather than having to attend meetings. So, if you have an interest in your local health service or wish to raise any issues, you can sign up to be a virtual member by leaving your name and contact details in the PPG box in the surgery.

WOULD YOU LIKE TO ORDER REPEAT PRESCRIPTIONS OR MAKE SURGERY APPOINTMENTS ONLINE BUT NOT SURE HOW TO?

The PPG offer a free one to one session to show you how to get started. The sessions take place at the surgery and take no longer than 30 minutes. If you are interested, you can leave your name and contact details in the PPG box in the surgery or contact Muriel@javy.co.uk
